# COMMUNITY FUND

"CharlotteLaw students have provided over 25,000 HOURS in community and free legal services to hundreds of people through the Self Serve Center, Legal Services of the Southern Piedmont, International House, and many other groups. Through the Community Fund we will be able to broaden our reach and scope, and be able to SERVE EVEN MORE PEOPLE through legal clinics developed right here at CharlotteLaw."

LAW & COMMUNITY FOUNDATION

Friends,

Those who have benefitted from the partnership between Charlotte School of Law and Law & Community Foundation are most appreciative of your generosity in serving our community. Your gift to the Community Fund allows us to further our mission to provide needed resources to strengthen programs and support our students.

Especially in our current economic environment, your gifts ensure that we can continue to deliver a quality program of legal education. Please join me in supporting our mission of "Caring for the Community" through an unrestricted gift to the Foundation. Many thanks for all you do.

Sincerely,

*Shirley Fulton*
